

Educator's Link

Connecting educators with curriculum-related programs and resources

May/June 2012

CARLSBAD
CITY LIBRARY

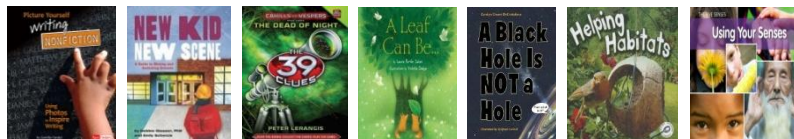

The Educator's Link provides educators, students and families with information about the Carlsbad City Library's extensive programs and resources. We are confident that the links to the library's catalog, calendar and databases will be especially useful for teachers and their students.

Explore Our Collection

May is Get Caught Reading Month, Latino Books Month and National Share a Story Month. Children's Book Week is May 7-13. Books, books and more books! Did you know that it's also Young Achievers of Tomorrow Month? June celebrations include Audiobook Month so remind your students that we have a fine selection of audiobooks – great for long car rides over summer vacation!

Our print and multimedia collections offer a wide selection of subject area resources. We can help your students find the information they need for their end-of-year assignments, projects and reports. As always, our staff is happy to provide recommendations for required or personal reading for all interests and grade levels.

eResearch Databases for Educators

The Carlsbad City Library subscribes to a wide assortment of online databases (eResearch) most of which you can access from home or your classroom. Check out the selection at

<http://www.carlsbadca.gov/services/departments/library/research>

Our featured database:

LearningExpressLibrary SRIC includes information on all core subjects from Science to Literature to History. This resource helps students develop both research and critical-thinking skills while covering the full spectrum of student-focused subject matter.
